SPECIAL TERMS FOR FOREIGN BIDDERS

1. FORMULATION OF THE BIDS

1.1 All offers shall have to be complete and include all typical and technical evidence required by the bidding and the Technical Specification.

1.2. It is stressed that after the unsealing of offers, the submission of complementary evidence is not allowed and any potential, complementary evidence or data submitted this way, shall not be taken into account in the bid evaluation procedure.

1.3 Complementary elements shall be accepted only in case this is requested in writing by the competent services of IPTO and this has to do with clarifications on the already submitted offers

1.4 Alternative offers for the same type of material are not allowed.

1.5 The offers shall have to contain all evidence requested by the attached Technical Specifications and the technical remarks of the Inquiry, in a clear-cut and unique way. Technical offers containing lacking or contradictory evidence- according to the Dpt of IPTO performing the technical evaluation – shall be rejected.

1.6 Offers, in order to be technically evaluated, shall have- upon penalty of rejection- to contain all the evidence here below, stated in compliance with the order and numbering, as follows:

1.6.1 The factory of manufacturing of the offered materials shall be stated together with the following distinct pieces of related information:

- a. Mail address of the factory.
- b. Data on the human resource structure of the factory.
- c. Description of the facilities.
- d. Description of the testing equipment.

All Bidders shall have to state the manufacturers of the material, as well as all related sub-contractors, if any.

1.6.2 An ISO 9001 conformity certificate issued for the factory, which shall cover all offered items, shall be submitted.

1.6.3 They shall also have to submit along with their offer a Quality Assurance Plan (Q.A.P.), for the manufacturing procedure of the stated manufacturer and all potential sub-contractors, by which it shall be evident in a detailed way the entire manufacturing procedure, the quality control equipment as well as all quality control stages including all of the related printed material and referring to the specific international standards and regulations applied.

During the Technical Evaluation procedure, IPTO SA shall reserve itself the right to monitor the production procedure so as to ascertain the application of the QAP and, in general, to conclude on the production procedure, in a way that shall deem the offer technically acceptable or not.

1.6.4 An original statement of Compliance of the offered material with the correspondent Technical Specifications/ Descriptions of IPTO and the technical remarks of the Inquiry, duly signed by the factory of manufacturing, shall be also submitted.

1.6.5 A reference list of at least two (2) Electrical Companies, who have buy enough quantities of the same or similar type of the modem of the present inquiry have been used with excellent operation in telecom networks, for a period of at least five (5) years followed by the corresponding certificates. Certificates shall be original or validated copies and very clear regarding the Electrical Company that edits and guarantees the excellent operation of corresponding modem.

SPECIAL TERMS FOR FOREIGN BIDDERS

NOTE: Bidders that have supplied in the last decade, IPTO SA and PPC SA with the requested materials, have no obligation of submitting the prerequisites of the para 1.6.4. and 1.6.5 provided that it does not change the factory of manufacture.

1.6.6 In the Bids it should be stated analytically the total weight and volume of the offered material.

1.6.7 In case the Bidder that takes part in this Inquiry, is not the manufacturing factory itself, his offer shall have to be accompanied by an original statement of the manufacturing of the manufacturing factory, by means of which the latter shall allow the Bidder to supply IPTO SA with the materials in question, for this Inquiry.

1.7 If the technical inspections cite is rather than the manufacturing factory, the following should be stated:

- Name and address of the Company at which the technical inspection shall take place.
- List of the existing testing equipment of this Company, so as to check whether it has the possibility of performing the quality control at the proposed cite.

2. SPECIAL TECHNICAL TERM

In compliance with article 34 of the Directive 2004/17/EU, offers are acceptable provided they comply with approved European or international standards and respond in an equivalent manner, to the performance or functional requirements of the material of the present inquiry.

Bidders shall have to prove in a satisfactory, for the purchaser, way and using every proper means, that the offered material, which complies with the technical standard, responds to the performance or functional requirements defined in the specification of the present inquiry.

The foregoing proving evidence shall have to be submitted together with the offer. A posteriori submission of the evidence is not acceptable.

3. PRICES TO BE QUOTED

3.1 All prices shall be quoted mandatorily, on penalty of nullity, in EURO as follows:

3.2 Greek Bidders

1. All prices shall be mandatorily quoted, on penalty of nullity, in EURO, for delivery of material free at IPTO'S warehouses at ROYF Attiki.

2. Suppliers shall have to mandatorily quote, in their offers, the costs of the material transportation from their installations up to IPTO'S warehouses.

3. All offered prices shall be net prices for IPTO'S , and shall include all legal surcharges and expenses associated with the delivery of the material, apart from VAT, which, bidders shall have to mandatorily quote, for the offered material.

4. All foregone unit prices shall be quoted in accordance with the Summary of Proposal (FORM DAPM 32.30), which must be fully completed.

5. On penalty of nullity, offers prices must not depend in any way whatsoever, on the exchange rate of the offer currency with any other currency.

Foreign Bidders

1. All prices shall be mandatorily quoted, on penalty of nullity, in EURO. Offers which depend their prices on the exchange rate between the offer currency and any other currency, shall not be taken into consideration.

2. Bidders must quote strictly in accordance with the requirements of the attached Summary of Proposal FORM DAPM- 32.26L and must include all costs chargeable to Supplier (custom duties, expenses of custom clearance, storage, transport charges etc) for the delivery of material free DDP at IPTO warehouses.

3.3 On penalty of nullity, the dependence of any kind of the offered prices on the exchange rate between the offer currency and any other currency, is excluded.
