**INQUIRY No: 401517
SUPPLEMENT No 1
DATE : 15-12-2015**

SUBJECT: STEEL LATTICE TOWERS for T.L. 400kV

1. This Supplement No 1 to the above Inquiry issued to state that:
The paragraph 4.1 of the Special Terms of Inquiry is modified as follows:
<<Has manufactured and supplied to Transmission System Operator (TSO) in the last five years at least 300tn of steel lattice Transmission towers that have been installed and operate in a satisfactory way.
As steel lattice towers are defined Transmission Lines Towers, voltage 150kV plus, as well as steel structures for Transmission Substations and Transmission High Voltage Centers of the type in operation at the Greek Power Transmission System.
2. All the other terms and conditions of the Original Inquiry except as expressly modified by the present Supplement remain in full force and effect.
