

SUPPLEMENT No 1
INQUIRY 406503

OBJECT: Shunt Reactors 157,5kV - 8Mvar & 16Mvar

The present Supplement No 1 of the above Inquiry is issued to specify that:

1. Paragraph 9 of the Special Terms of the Inquiry is replaced, as following:

9. TESTS

9.1 Cost (s) of the specified routine tests shall be included in the unit prices of the material offered. The costs of the specified special tests and the frequency response measurement shall be quoted separately for each test and shall be considered in the evaluation for each item. In Purchaser's judgment a representative of his will attend the tests process.

9.2 At Buyer's representative presence, Bidders may perform the specified type test in a laboratory of their own or in any laboratory having all the prerequisites to perform such tests. (Recognised in international level, ex. ISO or recognised by IPTO).

9.3 Bidders must mention separately in their offer the cost of the specified type tests for each item, even if official certificates of such test (by an official laboratory) are required to be submitted with the offer, or such type tests have been executed in the past. For the evaluation of the Bids, it will be taken into account only the cost(s) of the type Tests for each item which are not covered by official documents. These Type Tests shall be performed in the presence of IPTO's Inspector, and they shall be paid to the Supplier.

9.4 Where cost of specified type Tests is not mentioned in the bid and as long as cost is not covered by any official certificate, in the bid evaluation this bid will be charged with highest cost of type tests resulting from the contest procedure. In case a bidder is assigned the total or a part of the supply, the assignee shall have to execute these tests at his own expenses.

2. Paragraph **8 - DELIVERY TIME** is modified
for Reactor 16Mvar from - within 3 months to - within 6 months

3. The closing date of the Bid is extended as following:

Initial closing date of the bid: 19.1.2016 at 10:00 am
-New closing date of the bid: 08.2.2016 at 10:00 am

-All terms and conditions of the Initial Inquiry, except for the ones expressly modified by this Supplement, will remain in full force and effect.
