

TENDER INVITATION

Independent Power Transmission Operator (IPTO) S.A, is organizing a tender for the selection of a contractor that will carry out a cost benefit analysis and a financial viability evaluation for the Project of Common Interest (PCI) 3.7.1. “Maritsa East (BG)- Nea Santa (EL)”. A detailed technical description is provided in the Terms of Reference Document (ToR) in English (document 41623-8). The task shall be carried out in close collaboration both with IPTO and ESO-EAD (the operator of the Bulgarian Transmission System).

The contract will be awarded to the tenderer who offers the lowest bid, who has also fulfilled all technical and financial prerequisites. The deadline for an offer submission is January 2017 24th 10 a.m.

This action is co-financed by the European Union under the Connecting Europe Facility (CEF) mechanism. The total estimated budget is seventy thousand euros (70000€). This amount is the maximum limit than can be accepted as an offer. The duration of the action is 90 calendar days from the day of signing of the contract.
